Evidence of Success: Renowned resource persons accepted our invitation to grace the occasion of celebrating the days Through online google and facebook link many participants actively attended the online programmes.

Problems Encountered and Resources Required: In this academic year due to covid-19 pandemic situation online teaching and programmes were permissible by the State of Maharashtra. However technical issues and unawareness of digitalization were the problems encountered in remote areas by some of our students. The resources required were mobile/laptop devices and internet connectivity which were readily available.

Best Practice – I1

Title of the Practice: Online Support System for Students during Pandemic

Objective: To provide the students with information, support and guidance needed for successful completion of academic year.

The Practice: Following sessions were conducted to guide the students.

Orientation Lecture: The program structure was explained with respect to subject combination offered by the college and course schedule. Information was provided about library facilities, co and extra-curricular activities, NCC, NSS and various scholarships/free ships.

In the context Covid 19 Pandemic and in pursuance of the letter sent by UGC (F.No1-1/2020 (Secy) dated 06/04/2020), Director of Higher Education (Corona/MV-1/2020/4088, dated 06/04/2020) and SPPU (2019-20/917, dated 09/04/2020), the college had taken several steps to help the students during the crisis situation and lockdown due to COVID-19 outbreak.

Induction Lectures: Students were made aware of disciplinary rules and regulations including Anti-Ragging Awareness, AntiSexual Harassment Rules and gender sensitization issues.

Examination Guidelines: The guidance was provided to the students on procedure for online application for examination and helpline was provided to resolve the issues faced by students.

Evidence of Success:

Large number of students benefitted with the support system provided by the college. The students expressed satisfaction about the assistance provided by the teachers and support services. The important concern of the students about examinations was resolved by regular communication.

Problems Encountered and Resources Required :

No problems were encountered in providing the online assistance to the students once the communication lines were made easily accessible. The resources required were mobile/laptop devices and internet connectivity which were readily available.
